LOL Love the books in this line of publishers. I'm 56 y/o and yes, I still like to color. It's soothing to blend colors and meditate on the scripture at hand and a great way to have quiet prayer with our Lord. 0 of 0 people found the following review helpful. GREAT FOR MANY CHILDREN AND ADULTS; VERY CALMING!!! By LADYHEARTWELLA wonderful coloring book and bought one for my grandsons as well. They

love spiritually influenced coloring books and I'm thrilled they love them so much. They would be a great idea for Sunday and Sabbath school classes for junior high and older children as well. I've been told by a teacher that coloring is calming and many children learn better following a coloring session. 0 of 0 people found the following review helpful.
