From BLOOMSBURY USA : A Guinea Pig Nativity before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guinea Pig Nativity:

1 of 1 people found the following review helpful. Cute, but honestly a little strangeBy Leanne BWell. for starters, this thing is cute as crap. We have guinea pigs, and I want to dress them up so bad now! If you just look at the pictures, it's pretty great and laugh worthy!My complaint is that the book itself is fairly long. Yes, I know, it's the story of Jesus, and worth every moment of the day that we can devote to it, etc etc. But real talk: I got this for my 5 and 7 year old, and my 7 year old can't hang in there to read it. The pictures are so fun and silly and delightful, and the words are so very serious. It seems like it was a real let down for them-- they were expecting (and so was I) a fun rendition of a story, and it isn't silly or fun. I can't decide if it's sacrilegious or not to be disappointed in the story of Jesus' birth.I think this would be a much better coffee table book or bathroom book during the holidays than a read-before-bed book.I'm not sure if I would buy it again, but I am REALLY happy I bought it the first time?1 of 1 people found the following review helpful. This book absolutely tugged my heartstrings! We are a ...By tkburkettThis book absolutely tugged my heartstrings! We are a piggy lovin' family and I could not resist this book! The story is accurate with the Bible and the photos are very well laid out. Every year we spend Christmas at my parents house (I'm 30 years old with a family of my own) and my mother asked if we would read the story of Jesus' birth. I laughed and said, how about I read it in guinea pig form!! It was well received among everyone and the true meaning of Christmas was still the focus! I hope everyone can appreciate this book, pig lover or not! =D3 of 3 people found the following review helpful. I was not disappointed by the quality of the picturesBy Monica DI bought this book as a Christmas present for my 8-year-old daughter, who absolutely loves guinea pigs! Although the book is smaller than I expected, I was not disappointed by the quality of the pictures. The images are nicely done and present the Christmas story in a cute and creative way. Lovers of guinea pigs - adult and child alike - will love this cute little stocking-stuffer.

You know the story. . . Mary and Joseph make the journey to Bethlehem, only to find there's no room at the inn. Then along come angels, shepherds, and three kings from afar to worship the baby Jesus in the manger. A Guinea Pig Nativity is the classic Christmas story as you've never seen it before: with (you guessed it) guinea pigs photographed in the starring roles. Sweet, humble, and funny, they bring their own guinea-pig-joyfulness to the nativity in a way that is completely irresistible.
