Michael A Rascona : A Hacker Never has a Bad Lie!: True Golf Stories before purchasing it in order to gage whether or not it would be worth my time, and all praised A Hacker Never has a Bad Lie!: True Golf Stories:

0 of 0 people found the following review helpful. Hilarious golf talesBy trilogy45I am not a golfer but someone told me about this book of golf tales. I found myself laughing outloud and it was a fast read. I loved it so much I bought a few more books for the golfer's in my life.0 of 0 people found the following review helpful. A good walk need not be spoiledBy tries2golfMark Twain, who called golf "a good walk, spoiled," would love it. Unless you grew up thinking

wearing collared shirts and "moving right along" was always the height of fun, you'll laugh out loud and think to yourself "I know that guy!" The chapters are short and consistently funny. Reminiscent of "Caddyshack" (the movie) at times. Worth it for any golfer -- especially if they may be taking the game a bit too seriously at times. 0 of 0 people found the following review helpful. A Hole In One! By Joe Golfer Every chapter has a laugh and I have played at Gullhaven, where the hazards are more mental than physical, so I know the stories are true. Any golfer would enjoy the tales in this book!

Are you a golfer looking to complete your foursome? Why not share a cart and a laugh with Dr. Dom, Shoeless Ed and Mr. Scotty No Show! So you think you have seen it all on the golf course? You have witnessed the unbelievable and the comical. But how do your stories compare with the thirty-one found in this book? You may have a better one. And, if so, it may be worthy of an entry in Volume Two! Perhaps it reads something like this... "Rules of Golf" prohibit a player from assisting his opponent in locating a lost ball. Being Al's opponents for the round, Mark and I waited while Al and Joe rummaged through the forest looking for Al's ball. We were becoming somewhat concerned when, at the seven minute mark, Joe emerged from the woods. He walked out alone and he was smiling. Mark and I looked at each other in disbelief. Was there something red dripping from the head of Joe's 3-iron? How would we explain that the boss went missing playing golf? What did Joe do with his body and how were we going to protect our friend?
