**Mark Twain : A Horse's Tale** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Horse's Tale:

0 of 0 people found the following review helpful. DullBy Janis R. ArnoldI did not like this book.6 of 6 people found the following review helpful. Evidence of Twain's talent!By bccarlisI was surprised at how much I enjoyed this book. I will admit that the end is not for the faint of heart! But true to Mark Twain's style, the book was vivid and creative. I

don't particularly like books that humanize animals, but I think Twain did a fine job of telling the story from a horse's point of view. 0 of 0 people found the following review helpful. Good Book, Sad Ending (WARNING: Spoiler alert!) By Kindle Customer I liked the parts that were understandable, but the ending was so sad! Why did the Soldier Boy and the Cathy die? And the bull fighting... I hate that sport. It's so morbid, nasty, and horrible for the bull, not to mention the horses. Then they just kill the bull afterward? That's so unfair! How could it be a "beautiful sport" when pretty much everyone dies?

An unabridged edition (1905) with original illustrations and author's acknowledgements page.

About the Author Mark Twain was the pen name of Samuel Langhorne Clemens (1835-1910). He is best remembered for *The Adventures of Tom Sawyer* and *The Adventures of Huckleberry Finn* (often considered to be *The Great American Novel*).
