complete waste of money.

Covering a broad range of subjects such as youth, age, marriage, companionship, work, success, and failure, this collection of popular Irish sayings will ensure that people are never at a loss for a memorable declaration. There is no denying that the Irish have a way with words, and this selection of both old and contemporary aphorisms aptly illustrates the Irish humor, wit, and marvelous twists of language. Each example is accompanied by a colorful complementary illustration.
