Marnie Winston-Macauley : A Little Joy, A Little Oy before purchasing it in order to gage whether or not it would be worth my time, and all praised A Little Joy, A Little Oy:

1 of 1 people found the following review helpful. Oy Such a Delight! By Adrienne M. Rosenthal Charming!. I bought

extra gently used books to send to people who in turn bought this book to send to people. So funny you are calling people to read them the jokes!. But not only is the book filled with fun, but the book is also very informative. While you are reading it you will think of so many people that also will enjoy it. Great gift, but I had a difficult time getting more than one book at a time from vendors, so good luck! You will really enjoy if you are lucky enough to still get one!

By Sheila Irizarry
I had so much fun reading this that I bought copies to send to friends. It was inexpensive to buy them this way. Happy I did it!
5 of 5 people found the following review helpful. Humor
By Cy Gilson
There are only two types of humor in the world. Irish and Jewish. You can't go wrong by buying a book of either one. This book is typical Jewish humor and very, very funny. Enjoyed it immensely.

To me, the Jews are funnier than any other group. Why? Because they have had more trouble. And trouble is often the heart of humor.-- Steve Allen (who is not Jewish) from *A Little Joy, A Little Oy*
Not just a slice of Jewish wit and wisdom, this collection is the whole challah*. By including over 350 entries from 200 sources, Winston-Macauley has amassed a unique cross-section of Jewish quotes, anecdotes, proverbs, history, biographies, jokes, unusual facts, Yinglish, and much more.
A Little Joy, A Little Oy showcases this rich and remarkable assembly of all things Jewish through the universal language of laughter and, yes, a few tears. A must in every Jewish household, *A Little Joy, A Little Oy* also makes the perfect holiday gift.*
A rich twisted bread

About the Author
Marnie Winston-Macauley is a syndicated columnist and author. She has written over a dozen books and calendars and for *As the World Turns*. Her column, "Ask Sadie", can be read in newspapers across the country. She lives with her husband and son in Las Vegas.
