Robert Henry : A Married Man's Guide To Christmas before purchasing it in order to gage whether or not it would be worth my time, and all praised A Married Man's Guide To Christmas:

1 of 1 people found the following review helpful. "2 1/2 Men" meets "Tim the Tool Guy"By CustomerIn the traditional, self deprecating style of all books in the "about men" genre comes "A Married Man's Guide To Christmas". Filled with every cliched, alcohol-swilling, self-destructive, we-are-ALL-idiots-who-can't-do-anything-right supposed insight...this book is the granddaddy of them all in the "men-are-slovenly-pigs-who-have-no-redeeming-social-value"

category. Please don't get me wrong, I know the book was written by a man and it is humorous and well written...it even seems to be universally loved, so you will most likely love it as well; but I just get a little tired of being shoehorned into the "ALL-men-are...(insert your favorite pet peeve here)" category. Really, it's a fast, fun read, humorously illustrated, stereotypical but overall enjoyable, so if you are a guy...grab booze, your rattiest (but favorite) clothes, dive into your Lazy Boy (which EVERYONE knows is the perfect description of the guy occupying it) and sit back and enjoy some insight as to what we "guys" are all about. If you are a woman...nod your head up and down while muttering "EXACTLY, that's him" or back and forth while disgustedly stating "Ha! HE doesn't know a THING about women!" at all the appropriate parts. Then...look into each other's eyes while hugging and kissing, say "Merry Christmas" and thank your lucky stars that you have each other to love (despite your differences) this Holiday Season. 1 of 1 people found the following review helpful. So close to home! By Tim E. It's so close to home! It's as if Mr. Henry is sitting next door. His words leap from the page as a man who is living it - married and in the midst of that most-stressful of seasons! Mr. Henry's prose made laugh out loud... and put the milk back through my nose. Too funny and so close to home!! Write on, Henry, write on! 2 of 2 people found the following review helpful. Great Weight-Loss Book By Donna I laughed so hard, I must have burnt enough calories to make up for that extra Christmas cookie. Hubby and I both read this and loved it. Not being a Martha-Stewart type myself, we could both relate. I'm not sure the last time I found a book so funny or laughed so hard.

In the great tradition of guy-humor everywhere, here comes humorist Robert Henry's growling, good-hearted rant about holiday madness, *A Married Man'S Guide To Christmas*. Henry reveals the truth about Christmas through the eyes of a typical married man. "Remember, it's not how you celebrate the joyous season. It's whether you are still alive, married, sleeping indoors, with a healthy prostate, and without a rap sheet on January 4th that counts." Husbands will laugh out loud. Dads will slap their knees and keel over (have Cpr ready). Wives, daughters, sisters, mothers, aunts, female co-workers and sales clerks who dread seeing men mumble and mutter their way through the Christmas section at Big Box Discount Warehouse will nod in recognition at the syndrome best described as "Can I Survive Until New Year'S?" *A Married Man's Guide To Christmas* is a must for every guy who wants the women in his life to understand why he'd rather buy them gift certificates than brave the treacherous online world of lingerie catalogs. Why have just a joyous seasons, when you can have a Christmas filled with laughs that don't include finding pictures of Uncle Herbert in a teddy? Irreverent, honest, and biodegradable, Robert Henry has captured the essence of the holiday season for all men in *A Married Man's Guide To Christmas*. So grab it today for all the beleaguered males on your Xmas list and all the long-suffering females who just want the lights strung on the front porch by Christmas Eve, the honey-do list completed before Aunt Sookie arrives with her flatulent Pekinese, and that expensive bottle of Scotch left mostly full until the tinsel is hung, the presents are wrapped, and the homeowners' association has accepted your apology for spelling out a less-than-jolly greeting in solar-powered candy canes on your front lawn.
