Gill Arthey : A Masters in Motherhood (From the University of Life) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Masters in Motherhood (From the University of Life):

0 of 0 people found the following review helpful. NOT A GOOD BOOK AND NOT FUNNY AT ALL.By VALERIE TOWNSENDTHIS BOOK IS CONFUSSING I LIKE A BOOK TO EITHER GIVE ME DRAWINGS OR

PICTURES NOT HAVE BOTH DRAWINGS AND PICTURES IN IT. MADE ME CONFUSED IT WOULD BEEN BETTER IN IT ALSO HAD CHAPTERS IN IT INSTEAD OF THE DUMB MAY THEY NUMBER THE CHAPTERS, AND SHE KEPT TALKING ABOUT EDITION SO THAT WAS DUMB WHO WANTS TO HEAR ALL THE TALK ABOUT SCHOOL AND WHAT THEY ARE LEARNING THIS BOOK IS DUMB HARD TO READ AND AWFUL TO UNDERSTAND. STINKS AS BOOKS GO. HATED IT SORRY. 0 of 0 people found the following review helpful. Missed my favourite sitcom on TV to continue reading this one ...By mabelfrenchie Well I have laughed and smiled my way through this book in one long sitting! I just could not put it down. What an idyllic childhood these little boys enjoyed. What wonderful parents they have. Life did through a few curved balls in their direction and the way their parents dealt with the problems is a lesson to us all. An account of how family life should be. 0 of 0 people found the following review helpful. A great read By CustomerA lovely book. I definitely recommend it.

When a scan at fourteen weeks clearly reveals a set of natural triplets Eddie and Gill's lives were about to be changed forever by their early arrival. The story follows the humorous and sometimes chaotic happenings when the triplets, with their powers of 'triplepathy' quickly learn how three heads put together can achieve far more mischief than one. It's all a matter of being one step ahead of them, but this is harder than ever imaginable, especially when they are joined by a little brother. Gill soon realises that her poor academic record could be the down fall in this most complex part of her education, as she struggles to study for 'A Masters in Motherhood,' awarded from the 'University of Life.' With Gill and Eddie's involvement in the equine world and love of the countryside, the triplets have a free, fun and varied early few years, which the story follows.
