Holy humorBy A CustomerI love the shape and cover design of the book--an arched stained glass window. On the Internet, there is an online community of religious leaders called Ecunet A popular topic on Ecunet is Eculaugh, "the place for good clean religious

humor." Judging this book against the Eculough standard, most of the jokes are clean, many of the jokes are good, and all of the jokes are religious. Catholics, Protestants, and Jews are equally picked-on in this compilation of religious humor. If you can laugh at religion and overlook the occasional "R-rated" joke, then you will enjoy this book.

This clever joke book is uniquely shaped to represent the subject matter, and it contains the best of the best jokes on the classic topic: religion. Time-tested and often repeated, this category never goes out of date and is added to frequently. It's no wonder religion is the enduring centerpiece of so many movies, TV shows, and stand-up comedy skits. With universal appeal, these jokes are always great ice-breakers and sure to bring on fits of laughter. Filled with some old ones, some new ones, and even some blue ones, A Minister, a Priest, and a Rabbi . . . will have you laughing till you cry and flipping the pages for more.
