Roger Law, Lewis Chester, Alex Evans, Edward Booth-Clibborn : A Nasty Piece of Work/the Art and Graft of Spitting Image before purchasing it in order to gage whether or not it would be worth my time, and all praised A Nasty Piece of Work/the Art and Graft of Spitting Image:

This is the story of Roger Law, co-creator of "Spitting Image". Written in collaboration with Lewis Chester, the book tells tales of Law's times in the US, his deportation by Uncle Sam, his work on "The Sunday Times" and much more.
