**Michael Page : A Nurse, Two Rabbits and a World Tour** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Nurse, Two Rabbits and a World Tour:

Maybe your interests lie in health, animals, travel or socio-political issues, or maybe you just want a laugh. Whichever way, despite its more earnest messages in places, this light-hearted look at contemporary British health and social

issues through the eyes of an Edinburgh male nurse will have you in stitches.

About the Author Since the early 1990s, Michael Page has lived all over the Eastern side of Britain. He has worked as a care assistant, student nurse and nurse, and for the NHS, local authorities and private companies. Michael has also travelled extensively abroad. Since 1997, he has been accompanied by his ever-faithful companions, Flossy and Sugar the rabbits.
