Success Families : A Pile of Giggles 1: Favorite Family Jokes (Family Joke Books) (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Pile of Giggles 1: Favorite Family Jokes (Family Joke Books) (Volume 1):

Favorite Clean Family Jokes for Children Q: What do you get when you cross a thought with a light bulb? A: A bright idea! We love jokes and decided to bring you some of our favorites --from knock knock jokes to smelly skunks to trips to Pluto, they're found in here! A perfect gift any day! All of the jokes are clean, silly, and perfect for children to tell over and over...as children love to do. Illustrated by children and a mom, this book inspires drawing silly conclusions about each joke.... What one child sees, another sees something entirely different, making the jokes even funnier with time. So here's an idea...grab a cup of milk and a plate of cookies, a drawing pad of paper and some pencils, and see what your imagination comes up with as each joke is shared.
