2 of 2 people found the following review helpful. Big Belly Laugh By Myakka Lady Sent to young man battling cancer. He loved these corny jokes. My hubby and I laughed at so many of them before we sent it off.

Clean Jokes...For Tweens, Teens and Their Families We love puns, jokes and silly thoughts. Everything in this book is clean, silly, and perfect for young teens and their families to tell over and over. Illustrated by children and a mom, this book inspires drawing fun conclusions about each joke.... So here's an idea...grab a cup of milk and a plate of cookies, a drawing pad of paper and some pencils, and see what your imagination comes up with as each pun and joke is shared.
