P.G. Wodehouse : A Prefect's Uncle (EasyRead Super Large 24pt Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Prefect's Uncle (EasyRead Super Large 24pt Edition):

0 of 0 people found the following review helpful. School SportsBy Phyllis HirshleiferThis is an early novel which will appeal to readers who are familiar with British school sports more than to the ordinary American reader. Wodehouse's comic genius and his understanding of human character are evident, but the plot does not build to the kind of hilarious climax one finds in some of the later works.0 of 0 people found the following review helpful. Five StarsBy John G. MeadowcroftA quintessential early Wodehouse school story.0 of 0 people found the following review helpful. For cricket fans onlyBy K. J. FediwI have read most of Wodehouse's published books and short stories and read them over and over again. This is not his best. If you are a cricket fan you'll probably enjoy this, but I was lost throughout most of this book. Probably the only Wodehouse book I won't be reading again.

Books for All Kinds of Readers. ReadHowYouWant offers the widest selection of on-demand, accessible format editions on the market today. Our 7 different sizes of EasyRead are optimized by increasing the font size and spacing between the words and the letters. We partner with leading publishers around the globe. Our goal is to have accessible editions simultaneously released with publishers' new books so that all readers can have access to the books they want to read. “Wodehouse is the greatest comic writer ever.” - Douglas Adams
About the Author P. G. Wodehouse (1881-1975) spent much of his life in Southampton, New York, but was born in England and educated in Surrey. He became an American citizen in 1955. In a literary career spanning more than seventy years, he published more than ninety books and twenty film scripts, and collaborated on more than thirty plays and musical comedies.
