I absolutely love the artwork in this book. It is whimsical and so, so lovely...I love it so much that I am ordering a second copy since I am half way through the book now. The paper quality is ok, pretty typical for coloring books and I do wish the images didn't extend to the spine. But the incredible illustrations more than make up for it in my opinion.I am loving this book!!!!0 of 0 people found the following review helpful. Fun to color!By TeddiegirlThese are the cutest pictures and I am enjoying coloring them. I will buy more of her books.1 of 1 people found the following review helpful. Three StarsBy cynthia crowderThe book is okay.
