Robin Yu : Adventures With Flint the Fabulous Pomeranian before purchasing it in order to gauge whether or not it would be worth my time, and all praised Adventures With Flint the Fabulous Pomeranian:

Matthews This charming book is full of utterly engaging photos of the inimitable Flint the Pomeranian and his adventurous life: Valentine's Day jelly kisses, a visit to the Tulip Festival, undersea exploration, visits to the beach, and more. Robin Yu's partnership with Flint is one of the classics -- a cheerful and charismatic little dog brimming with self-confidence and joie de vivre, and a photographer with the patience and engagement to figure out how to get the silliest smiles out of him. My two favorite photos are milk-and-cookie explosion and Flint at the movies (in a bucket of popcorn) (with 3D glasses). But Flint performing airs above the ground in amongst the tulips runs a close third. Robin Yu's photos of Flint's happy playfulness really capture some of the best reasons to have a dog companion in your life (of whatever breed). Flint is fabulous and he knows it -- Robin Yu's photos are fabulous too! 0 of 0 people found the following review helpful. Adorable ! By B.A. How can anyone not love a Pomeranian.. "Meet Flint the Pomeranian," says the Huffington Post, "and your life will never be the same." How true! Flint first exploded into our consciousness as a viral sensation ("Holy cuteness!") before skyrocketing to celebrity and supermodel status via appearances on Good Morning America, ABC News, InTouch Weekly, and the Yahoo! home page. Now, the film-star-turned-author shares in his own surprisingly modest words (and Robin Yu's delightful

photos) what it's like to be the world's most super-adorable dog. This revealing tell-all includes QR codes for smart phones to scan bonus clips from Flint's greatest films!

About the Author Robin Yu participated in a wide variety of creative outlets while growing up in Oregon, most notably having soloed with the Oregon Symphony and at the Kennedy Center as a young violinist. She later stumbled upon photography and realized she could combine her artistic side with her lifelong love for dogs. What began as a way to keep in touch with family and friends by sharing photos of Flint through email has turned into so much more. She lives in Portland, Oregon with Flint and her family. You can visit her and Flint at www.FlintThePomeranian.com. Flint the Pomeranian began his career as a show dog at the age of 6 months, so it was only natural for Flint to step into the world of doggie modeling as he matured into a young adult. He has since branched out into acting as well, having made a few mini films with his owner/photographer, Robin Yu. You can see his films here: www.FlintThePomeranian.com/films. When he is not in front of the camera, he enjoys hanging out in laps and supervising various kitchen activities.
