always been a favorite of mine, from roadtrips to random entertainment, and "ready for landing" checks. I bought a bunch of these for a recent roadtrip and we laughed a lot at the different things we came up with. My suggestions i always to ahve one person come up with the random words, or just trading off throughout a carload or ...friendload... of people. Everyone with their own intentions tend to wildly adjust how the story plays out!A classic, for ages to come, enjoy!

This compilation of advice column wisdom, Dear John letters, old love notes, and other comforts is for those tortured souls left in the lurch, whose friends simply don't want to hear about it any more.
