**Alicia L. McDaniel : African Print Inspired Fashion Coloring Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised African Print Inspired Fashion Coloring Book:

2 of 2 people found the following review helpful. Three Stars By Customer I was disappointed with the quality and images. 0 of 1 people found the following review helpful. Black and beautiful By Customer Different 1 of 1 people found the following review helpful. Very Disappointed. By Ms. Ruby Very disappointed in this book. The drawings are not proportioned right, incomplete lines, not the best quality of paper. I would not recommend. Sorry. Donating book to a thrift store.

Inspired by the beauty of African textiles and print patterns, this coloring book features a variety of models wearing unique designs. Studies show that coloring is a great way to relax and inspire creativity. Have fun coloring the designs

in this book with the art medium of your choice.
