Maxine Chadwick : After All These Years before purchasing it in order to gage whether or not it would be worth my time, and all praised After All These Years:

1 of 1 people found the following review helpful. For anyone who has lost a loved one much too soonBy B. J. AllenFor anyone who has lost a loved one much too soon, this is a powerful story. It underlines the courage and fortitude of the main characters, along with the weaknesses and struggles that are inevitable in every family. It flowed easily and was over too soon. I think there could be more to tell...and without giving too much away, it seems like many complications could present themselves as time moves on.1 of 1 people found the following review helpful.

After All These Years By Jo Ann S. Brennan I so enjoyed this book. It is an easy, entertaining read, and I could have read more. Maxine writes very clearly so the reader knows all about the main characters. It is a fun, different story. I have never read on the subject of cryotransport and the process was explained very clearly as I 'went along'. I loved every page!! Jo Ann S. Brennan 0 of 0 people found the following review helpful. Five Stars By Joanne B This enjoyable story made me laugh, cry, smile and wish.

You may laugh; you may cry. And doubtlessly, you will fall in love with the characters along the way. Zach Merin is a successful professional golfer with a loving wife and three small children. He has the perfect life. Then, an unforeseeable tragedy occurs that alters their lives forever. With everything to lose, he takes a chance that few would dare to take. He hopes no one will ever have to know about it. When the truth is finally revealed, will his family have ceased caring about him? It will be a long journey fighting his way back-both physically and emotionally-to assure them that he did it all for love. After All These Years is a story that sets out to prove that true love never dies. Or, does it? For autographed copies, please visit: afteralltheseyearsbook.com

About the Author "Variety has been the spice of my life. From living in the Big Apple to country farms; from raising children to raising poodles, Siamese cats and thoroughbreds; from participating in the arts and sports to reading, writing and traveling. I've enjoyed it all." Maxine Chadwick, Author
