Andrew Foley Jones : airplane food for beginners before purchasing it in order to gauge whether or not it would be worth my time, and all praised airplane food for beginners:

Thomas Paul wakes in a room unable to remember who he is, how he got there. A TV plays out footage of a series of grotesque murders all seemingly perpetrated by him. Entering the room is cryptic psychiatrist, Dr Rothschild, who directs Thomas to more footage showing pivotal moments in his life his birth, his graduation, his marriage, the birth of

a daughter, the death of his wife. Unable to remember anything before this moment, Thomas begins a new life confined to strict rules laid out by Dr Rothschild. Only he, it seems, holds the answer to the riddle as to how Thomas Paul got here and how he became the Biggest Star in the World, his every action watched by millions.
