Alan King : Alan King's Great Jewish Joke Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Alan King's Great Jewish Joke Book:

The one thing that is for sure; this book is like being with an old friend. I am 68, and reading these jokes, I go back to the days of Buddy Hackett, Mort Sahl, Shecky Greene, Lenny Bruce, Red Buttons; the list goes on and on, and thanks to online video, their comedy is still with us.0 of 0 people found the following review helpful. Not what I expectedBy CR MainwearingWhile I'm not Jewish, nevertheless, the jokes in this book seemed very lame; I was disappointed.0 of 0 people found the following review helpful. Five StarsBy Victor SpetalnickExcellent condition

“Jesus saves. Moses invests.” “Why spoil a good meal with a big tip?” “What did the Jewish mother ask her daughter when the daughter told her she had had an affair?—‘Who catered it?’ ” “I’ve probably heard—and told—some of the jokes in this book a thousand times; more than a few are older than I am. Others were actually new to me. But I can’t think of a good Jewish joke that isn’t in this collection. Enjoy!” —Alan King

The undisputed heavyweight champion of Jewish humor livens up the pages with a rich and comprehensive treasury of the all-time best Jewish jokes. From the Polish shtetls to vaudeville and the Catskills to modern Hollywood and comedy clubs across the country, Jewish humor hasn’t just survived, it has become universally loved and often recited—by Jews and non-Jews alike. And who better to compile the best of Jewish humor than Alan King, the consummate comedian who has torn up every venue from the Friar’s Club and Broadway to Comedy Central? In Alan King’s Great Jewish Joke Book, King gathers old standards and hilarious new material, great one-liners and drop-dead funny stories, and packs them into a laugh-(or sometimes a groan-) out-loud celebration of the Jewish funny bone. So why is this book like chicken soup? Because it doesn’t cure anything, but it sure can make you feel better! Or your money back, guaranteed. (Just kidding.)

From Publishers Weekly

Organizing jokes by all the crucial categories—women, men, mothers, grandmothers, and rabbis—this book, as Billy Crystal puts it in his foreword, is “a big, bubbling pot of borscht.” King, currently starring as MGM’s big boss in the off-Broadway production *Mr. Goldwyn*, casts new and familiar material in his own mold; as one of the “Rules for Jewish Living” notes: “a good kugel sinks in mercury.” While he parses the differences between “Traditional vs. Reform Observance” or listing the “Top Ten Reasons Why God Created Eve” (“7. God knew Adam would never make a doctor’s appointment for himself”), King’s forte is storytelling and caricature, which he does with gusto, and strong build-ups to punchlines that don’t overplay their hands. While some may object to the appearance of the word ‘goyim’ in the text, King’s intention is to warmly entertain in old school Catskills style, and in that he succeeds terrifically. As another of the “Rules” asks: “And what’s wrong with dry turkey?”
