Stephen Cole, Lousie Gardner : Alien Pop-Ups: Alien Olympics before purchasing it in order to gage whether or not it would be worth my time, and all praised Alien Pop-Ups: Alien Olympics:

They jump and they run, and they have lots of fun...but which one will win the first prize? You won't believe what a "racket" Martians make during a tennis match, and how high into the sky they can spring. But whatever game they play, these aliens really are one winning team.
