Emil E. Perona, Catherine D. L. Newsom : All About People, Pets and the Vet before purchasing it in order to gage whether or not it would be worth my time, and all praised All About People, Pets and the Vet:

Fifty years of veterinary practice allows Dr. Mike Perona to share only the funniest interactions between his clients and their pets. His stories range from dogs and cats to parrots and ostriches while he examines the world of

interspecies relationships. He shares this with his friends and fellow animal lovers.
