Jeff Dunham : All By My Selves: Walter, Peanut, Achmed, and Me before purchasing it in order to gage whether or not it would be worth my time, and all praised All By My Selves: Walter, Peanut, Achmed, and Me:

4 of 4 people found the following review helpful. A light-hearted book with a great voice (or voices)!By SpeedreaderI've seen Jeff Dunham in person several times he puts on a great show. Not only is he talented, but he really cares about his audience getting the most out of his show for their money; he's really worth seeing in person - I highly recommend it! Now that I've said that, I am a fan. I bought this book and thought, it might be a fun read - and I was curious to how Walter, Peanut, and Achmed would be worked into it. What I found was a light-hearted book that

provided a lot of information about how Jeff's family, how he got started in his career, and who he met along the way (many of it will surprise you). From the fact that he met Bob Hope at such a young age, auditioned for Johnny Carson countless times, to the fact that he was going to ask Ellen Degeneres out (does she know this yet?) and how he met his wife (now ex-wife)- I was really impressed by his career, his enthusiasm to do what he loved, and his family's support. It's a great read that is funny and cute!0 of 0 people found the following review helpful. Good book to read.By wagnerbuyerThe best ventriloquist I have ever seen - live or on DVD. An excellent book for anyone. Even my 18 year old grandson likes it.0 of 0 people found the following review helpful. Funny DummiesBy Dr.Stanley ToompasVery appropriate book title. Very engaging text. Very interesting person.I discovered Jeff, by accident , just a few years ago on TV. In my opinion, he is the funniest and most talented American living today! So, I did some research to see if a book existed about his life. To my delight, I found his autobiography. It is wonderful. I highly recommend this book.If you also love his humor and ventriloquism, you must read this book. Jeff has natural talent. Combined with his hard work and dedication, Jeff is a prototypical "American" success story. This is the rare book which makes you laugh - out-loud while reading!I hope to have the opportunity to see Jeff perform some day. Until then, my wish for Jeff and his "buddies" is that they; " Live long and prosper." Except Achmed, of course, for which the statement is seemingly an oxymoron!Dr. Stanley E. Toompas, Optometrist Author of "I'm the One the Other Isn't"

"The most popular standup comic in the U.S." --Time Whether he's breathing life into Walter, an old curmudgeon; Peanut, an over-caffeinated purple maniac; or Achmed, a screaming, skeletal, dead terrorist, comedian and ventriloquist Jeff Dunham is the straight man to some of the wildest, funniest partners in show business.All By My Selves is the story of one pretty ordinary guy, one interesting hobby, one very understanding set of parents, and a long and winding road to becoming America's favorite comedian. With wit, honesty, and lots of great show business detail, Dunham shares all the major moments in his journey to worldwide fame and success.

"Dunham is the most successful comedian working in America." -New York Times Magazine "In the last few years, Jeff Dunham has become something akin to a rock star. For the first time since the heyday of Edgar Bergen and his dummy Charlie McCarthy and "The Ed Sullivan Show," nearly a half century ago, ventriloquism has moved back into the entertainment mainstream, and Dunham is leading the way." -The Los Angeles Times "The country's most popular stand-up comedian." -Salon.com "Easily one of the funniest stand-up comics alive." -Dallas Morning News "One of the most popular acts in the country" -The Boston Globe
