Robert Fulghum : All I Really Need To Know I Learned In Kindergarten before purchasing it in order to gage whether or not it would be worth my time, and all praised All I Really Need To Know I Learned In Kindergarten:

0 of 0 people found the following review helpful. A classic - A firm foundation for life By Ed Stetser A must have - a

cassette tape one will benefit from by listening to it every day for the next few months. Listen to it at times when your hands are busy but your mind is not - driving, and doing work around the house are perfect times. Then, listen to it again at least once every month for the rest of your life. Please, please play this for your young children to give them a firm foundation for life.0 of 0 people found the following review helpful. Just as fun to read as I rememberedBy Chris BlouchLooks like it was in nearly new condition. I had read this years ago, loaned it out to somebody but never got it back and forgot who I had loaned it to. This got it back on my shelf and a chance to re-read a classic bit of story telling.0 of 0 people found the following review helpful. This storyteller displays his reverence for life.By Rev. JFulghum's book stands the test of time. It is poignant and down-to-earth funny when appropriate. I love his style and reverence for life. This is the best from the storyteller. .

A modern classic, and a phenomenal bestseller, this simple collection of thoughts and gentle opinion has struck a deep chord in readers all over the world. Observing our times in his unique way, Robert Fulghum has tapped into the community that we all share and tells us something about ourselves and how to be the best we are capable of. He reminds us to share, clean up our own mess, take a nap every afternoon, and to be aware of wonder."Within simplicity lies the sublime."SAN FRANCISCO CHRONICLE"A healthy antidote to the horrors that pummel us in this dicey age."THE BALTIMORE SUN

From Publishers WeeklyOf these "random jottings," PW said, "Fulghum does not express uncommon thoughts here: his thoughts are those we all wish were true." The book's tone is set by the title piece in which the author sets out his banal credos, ranging from "share everything" to "hold hands and stick together." Copyright 1989 Reed Business Information, Inc.From Library JournalUnitarian minister Fulghum has become something of a celebrity since a talk he gave at a primary school graduation ("Share everything. Play fair. . . . LOOK.") generated such interest that it ultimately found its way into "Dear Abby." Here is more of his philosophyalways go with dreams, imagination, hope, laughter, and loveaccompanied by random musings on dandelions, medicine cabinets, and the vices of excessive tidiness, which are quirky and often thought-provoking. Undergirded by his love for family and (loosely understood) for God, this makes refreshing reading. ECCopyright 1988 Reed Business Information, Inc. " A HEALTHY ANTIDOTE TO THE HORRORS THAT PUMMEL US IN THIS DICEY AGE." -- Baltimore" Sun "" It is interesting how much of it applies not only to individuals, grown or small, but even to nations." -- New York" Daily News "" Within simplicity lies the sublime." -- "San Francisco Chronicle "" As universal as fresh air and invigorating as the fragrance of a Douglas fir." "-- Los Angeles Times"
