Great gift for an expecting parent as a part of a book basket. 5 of 5 people found the following review helpful. Great seller, no issues, Love this Book!! By Katelyn Workman I LOVE this book!! If you haven't read it, or it's sequel, "All My Friends are Still Dead" (I actually prefer the latter of the two) I Highly recommend that you do! :-D 1 of 1 people found the following review helpful. Dark, yet Funny By Customer If you have a dark humor side, this book is terrible to the point of funny. I bought it for the daughter who has everything and she has mentioned that it is definitely a conversation starter.

From the authors of the breakout best seller *All my friends are dead* (more than 100,000 copies sold) comes a brand-new illustrated compendium of the humorous existential ruminations of people, animals, legendary monsters, and inanimate objects.
