**Don Everts : All the Ideas Living in My Head: One Guy's Musings About Truth (One Guy's Head)** before purchasing it in order to gage whether or not it would be worth my time, and all praised All the Ideas Living in My Head: One Guy's Musings About Truth (One Guy's Head):

0 of 0 people found the following review helpful. A Very Creative Read By Charles Boyd Don Everts is a masterfully creative writer and this book--in fact the whole "One Guys Head Series"--handles postmodern apologetics unlike anything I've read. I highly recommend these books and anything else Don has written for that matter. You won't be disappointed.

A bunch of ideas are running around in Don Everts's head. Some are permanent residents. Others are visitors, just passing through. When they all get together, some odd things start happening. It's one thing when the idea Girls Are Kind Of Icky gets challenged by Girls Can Be Pretty Darned Interesting. But it gets more complicated when The Old Man Clutching The Big Black Bible meets Higher Criticism. Or when You Are Not Loveable tries to drown out the voice of God Loves You. In this tour of Don's head, you get a glimpse of how we make sense of ideas and how we decide which ones should live with us. We're introduced to back-door ideas like Pain Is Bad, secret ideas like Lighter Skin Implies Higher Intelligence, and sexy ideas like Shiny Happy Globalization. How do we determine what ideas win out? Which ideas should get to stay, and who should get kicked out of the house?

About the Author Don Everts has worked on college campuses for InterVarsity Christian Fellowship/USA since 1994. Currently an area director with InterVarsity, he is based in Boulder, Colorado. His books include Jesus with Dirty Feet, The Smell of Sin, God in the Flesh and Getting Your Feet Dirty.
