Everyone enjoyed them but I felt the pictures could have had a bit more detail to them.0 of 0 people found the following review helpful. Two StarsBy Brandy McGuire GresockCute, but wasn't what I expected.5 of 7 people found the following review helpful. Top half of book cut offBy TiaI ordered this as a gift, but when I opened the package, the top half of the book was missing. It looks like the top portion was cut perfectly off so this may have been a manufacturing defect?I wish it is received the whole product because this could've been a cute gift.
