Adorable Cat and Quote Designs – lots of fun and printed on one side of the page By iiiireader[[VIDEOID:85755881e1ac09336feef3778e4fe55]] I am a huge fan of cat-related coloring books. This is one of the more fun ones that I have. Most of the designs include a cute and cartoon-like cat and all of the designs have a quote or saying on them. I am having a lot of fun coloring in this book and thinking about my various cats (all of whom have passed.) It brings back the good times I had with each of them and gives me a lot of joy. This is what I found while coloring in this book and testing the paper with my coloring medium: 50 Cat/Quote designs with fun attitude Printed one side of the page Paper is typical inexpensive quality by CreateSpace printing: white, thin, slightly rough and non-perforated. The designs do not merge into the binding. The designs have a framing line at the outer edges. Glue Binding Alcohol-based markers bleed through the page quickly. Water-based markers bleed through in spots. Gel pens and India ink pens leave shadows on back of the page. India ink can bleed through if you apply heavily or multiple coats. Colored pencils work well with this paper. I found that I could layer the same color for deeper pigment or multiple colors and I could blend easily using a blending stick. I tested both oil and wax based pencils. I also found that hard lead pencils leave dents through the paper. I like to use a blotter when working in the

book. I use a page of card stock or several sheets of heavyweight paper under my working page. It keeps seeping ink and marring dents from ruining the pages below. In addition to the copy of this book that I purchased on , the publisher provided me with an advance reader copy of this book. 1 of 1 people found the following review helpful. For the crazy cat lover in all of us By twinbush It's no secret, I'm in love with my cat. Heck I just ordered a cat ring from , and I have two cat necklaces. This year I'll be wearing a pink kitty sweatshirt for Christmas, and I have two Christmas sweaters. Yes, I'm a crazy cat lady! So when Doodle Art Alley came out with this particular coloring book, I was in awe. I had to have it, I wanted it! It's just a wonderful collection of sweet sayings and beautiful little kitties. Here are some of the sayings that are on the beautiful pages: Cats are a mysterious kind of folk. ~Walter Scott The cat is nature's beauty. ~French Proverb The cat is magical and the bringer of good luck. ~Indian Proverb After dark all cats are leopards. ~Native American Proverb What lovely sentiments with great doodles to go with it. I recommend this book for cat loves, kids, adults, and adults who think they have a little kid in them. It's well worth the experience it gives. 1 of 1 people found the following review helpful. LOVE By Mrs Mommy Booknerd (Mrs Mommy Booknerds Book Reviews) #MMBBR On this Thanksgiving day, I am grateful for coloring. I have been very dedicated to coloring for about a year. I have found that it is so very relaxing and fun. I love to listening to audiobooks and coloring. I find that it helps to keep me grounded. I find that not only is it a great hobby, it is also so good for my mind. There is so much negative in this world and I adore doing something positive for myself. I colored this picture for my little friend. I think that color pages make a great replacement for a common card. It means so much more when people make you something from the heart. Doodle Art Alley coloring books are my FAVORITE to color. I love the quotes and the designs. There inspire such creativity in me. You won't regret buying any of the books by Doodle Art Alley...they are all amazing!!!
