A. J. Jacobs : America Off-Line: The Complete Outernet Starter Kit before purchasing it in order to gage whether or not it would be worth my time, and all praised America Off-Line: The Complete Outernet Starter Kit:

1 of 1 people found the following review helpful. Three Stars By Soleil I'm a fan, but this one was just okay. 8 of 9 people found the following review helpful. A truly funny humor book By Paulette Cooper Noble Lots of humor books out there but most aren't funny. This one is hilarious -- and the humor is sustained throughout. This is the sort of book you keep quoting to someone ("hey, listen to this") while they're reading their newspaper and ready to kill you. I enjoyed it so much I found it difficult to put it down so I could return to checking my mail on AOL. Paulette Cooper

A parody of guides to the Internet offers advice on negotiating the real world, including fonts (handwriting), mail (the Postal Service), virus protection (scarves and mittens), and accessing news (reading a newspaper).
