I love coloring, but most books are too small. The designs are easy to color and look beautiful when finished. This would make a great gift for anyone who enjoys coloring.

**NEW! LARGE PRINT EDITION** with **BONUS** notecards and bookmarks to color Large, bold, wide-open designs are easy to see and simple to color. Featuring the same designs as the original **AMISH QUILTS COLORING BOOK**, this new edition contains quilts inspired by those seen in Amish country. Many of these designs are based on traditional patterns, but some have been reimagined. Each quilt is printed on only one side of the page; facing pages contain inspirational Amish proverbs. To make the quilts even more colorful and interesting, sketch fabric designs – plaids, checks, paisleys, flowers, or abstract shapes – into the larger quilt blocks, use pattern stamps, or even collage fabric scraps to the pages. With more white space, it's easy to add your own details. And if the designs inspire you to make quilts of your own, the pages can be used as templates for quilt-making.
