From Bronwyn Editions : An A - Z of Looney Limericks (for big kids) by Bernie Morris (2009-01-01) before purchasing it in order to gage whether or not it would be worth my time, and all praised An A - Z of Looney Limericks (for big kids) by Bernie Morris (2009-01-01):

1 of 1 people found the following review helpful. A Hard ReadBy songbirdAlthough many of the limericks were good, the formatting is not and makes it very hard to read. I also felt a number of the limericks were just not that clever or appealing. Perhaps it is the difference in British humor. If interested, I would suggest the regular book to avoid the formatting issues.0 of 1 people found the following review helpful. Favorite Kids Book ever for learning how to rhyme well!By ChucklesGood stuff, this book is the best for kids who want to expand their sense of humor, or just read a bunch of great limericks!1 of 2 people found the following review helpful. one of the funniest books ever!By Ben J. OhmartI was drawn to this because I'm a Spike Milligan fan, and the title reminded me of one of his early books. Well, I wasn't disappointed. The author's British, so how could I be?
