Joel Berman : An Alphabetic Collection of Ridiculous Medical Poetry and A Devil's Dictionary of Medical Specialists before purchasing it in order to gage whether or not it would be worth my time, and all praised An

Alphabetic Collection of Ridiculous Medical Poetry and A Devil's Dictionary of Medical Specialists:

If laughter is the best medicine, then this collection is sure to cure what ails you. From the lowly "Appendix" to the lesser-known "Zonule of Zinn," these playful poems present an alphabet of body parts. The accompanying Devil's Dictionary plays havoc with various medical (and some non-medical) definitions. A definite must-read for anyone who enjoys humor, especially those in the medical profession.

About the Author Joel Berman, MD, is a practicing general and vascular surgeon with a prime interest in breast cancer. Former Chief of Surgery at the University of Southern California Medical Center, and author of more than twenty books.
