**Susan D Poulos : An Analog Life in a Digital World** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Analog Life in a Digital World:

Do you crave a little humor...a look at the lighter side of life? Would you like to read Christian daily devotions that

will benefit your life? Then, this book is for you! Personal antics that will tickle your funny bone as she shares from an abundant and happy life.
