

aeroplanes. This is a must read for anyone just looking for a laugh.0 of 0 people found the following review helpful. Fun, light-hearted readingBy Tony EdwardsMost enjoyable. I have lived abroad for many years and not followed many English programs so I was not especially aware of who Clarkson was. Now I know.His humor is wonderful and exactly what grabs my attention. The first book was recommended to me by an American friend. "Here," he said, "You're English, you'll enjoy this book. He was right.An easy, light read, good for putting you in a fun frame of mind. Definitely recommend. That's why I have bought further editions for me and a friend. The Slope of Kongwa Hill: A Boy's Tale of Africa.0 of 0 people found the following review helpful. A good laugh !By Bill BlountHopefully very tongue in cheek, should be more like Clarkson !!! Good reading when travelling or between other books. Will read more of his books and will try and catch up with his series on TV.

In And Another Thing. . . the outspoken and outrageous presenter Jeremy Clarkson shares his opinions on just about everything. Jeremy Clarkson finds the world such a perplexing place that he wrote a bestselling book about it. Yet, despite the appearance of *The World According to Clarkson*, things—amazingly—haven't improved. Not being someone to give up easily, however, he's decided to have another go. In *And Another Thing*. . . the king of the exasperated quip discovers that bombing North Carolina is bad for Yorkshire, we can look forward to exploding at the age of 62, Russians look bad in Speedos (but not as bad as we do), and that wasps are the highest form of life. Thigh-slappingly funny and in your face, Jeremy Clarkson bursts the pointless little bubbles of the idiots while celebrating the special, the unique, and the sheer bloody brilliant. . . *And Another Thing*. . . is a hilarious collection of Jeremy's Sunday Times columns and the second in his *The World According to Clarkson* series, which also includes *For Crying Out Loud!*, *How Hard Can It Be?*, and *The World According to Clarkson*.

About the AuthorJeremy Clarkson is the presenter of *Top Gear*. He writes for *The Sun*, *The Sunday Times*, and *Top Gear Magazine*.
