Don Wade : "And Then Freddie Told Tiger . . ." before purchasing it in order to gage whether or not it would be worth my time, and all praised "And Then Freddie Told Tiger . . .":

0 of 0 people found the following review helpful. Five StarsBy karen mickeyBook was in great condition. Fathers Day Gift0 of 0 people found the following review helpful. And Then Don Wade Told BrianBy Brian EtierThis collection of golf stories that is told through the eyes of Don Wade is phenominal. It illustrates the true essence of the game of golf with the use of humorous and heart wrinching stories. Wade accomplishes a brilliant feat in bringing to life

golfing legends from the past and personalizing them with the professionals of today. He sets every story apart from the next with its own unique qualities. Furthermore, even if one is unfamiliar with the game of golf, this book is still relevant to them. Some entries contain lessons of golf that parallel lessons one should be exposed to in life. Therefore, Wade not only writes about the stories of golf, but also he depicts the lessons of life. Within these lessons of life, Wade presents to us many people. These characters are role models for us to live by because of the characteristics they show, not the sport they play. Many of today's athletes have shied away from the responsibility of being a role model; however, the gentleman of golf have not. They embrace this challenge similarly to those of the past and hopefully in some relation to those of the future. Perhaps the most important message or lesson Wade is trying to relay to us is to follow our dreams. He tells us that no matter how tough it is to do, we must persevere. We must show determination, endurance, and even experience some obstacles to fully reach our goals in life. By learning from the greatest men in professional golf, we can realize the hard work and perseverance it takes to succeed in the world. In conclusion, I recommend Don Wade's "And Then Freddie Told Tiger" not because of its slapstick humor but more importantly because of its teachings about life.

By Brian Etier

This collection of golf stories that is told through the eyes of Don Wade is phenomenal. It illustrates the true essence of the game of golf with the use of humorous and heart wrenching stories. Wade accomplishes a brilliant feat in bringing to life golfing legends from the past and personalizing them with the professionals of today. He sets every story apart from the next with its own unique qualities. Furthermore, even if one is unfamiliar with the game of golf, this book is still relevant to them. Some entries contain lessons of golf that parallel lessons one should be exposed to in life. Therefore, Wade not only writes about the stories of golf, but also he depicts the lessons of life. Within these lessons of life, Wade presents to us many people. These characters are role models for us to live by because of the characteristics they show, not the sport they play. Many of today's athletes have shied away from the responsibility of being a role model; however, the gentleman of golf have not. They embrace this challenge similarly to those of the past and hopefully in some relation to those of the future. Perhaps the most important message or lesson Wade is trying to relay to us is to follow our dreams. He tells us that no matter how tough it is to do, we must persevere. We must show determination, endurance, and even experience some obstacles to fully reach our goals in life. By learning from the greatest men in professional golf, we can realize the hard work and perseverance it takes to succeed in the world. In conclusion, I recommend Don Wade's "And Then Freddie Told Tiger" not because of its slapstick humor but more importantly because of its teachings about life.

The author presents a memorable collection of real life stories from great golfers, bringing together living legends and past champions in one entertaining book.'

From the Back Cover

Bestselling golf writer Don Wade tees it up once again with his sixth wonderful collection of the best true golf stories of all time. "And Then Freddie Told Tiger . . ." brings together living legends, past champions, and current top-of-the-leaderboard stars in one moving, captivating, and often hilarious volume. You'll read about five-time British Open champion Peter Thompson's candid assessment of John Daly, how Arnold Palmer invented the modern "grand slam," the dangers of getting lessons from Ben Hogan, W.C. Field's secret to good golf, and Tom Watson's ultimate compliment to Jack Nicklaus. These off-the-cuff, behind-the-scenes true tales will entertain and delight everyone who enjoys America's fastest-growing sport--from those who simply enjoy a great story to the most serious golf enthusiasts. From Augusta National and Pine Valley to Pebble Beach and the Old Course at St. Andrews, this entertaining, intimate, and just plain funny book will take you to some of the best courses alongside the greatest players in the world.
