**Don Wade : And Then Fuzzy Told Seve . . .** before purchasing it in order to gage whether or not it would be worth my time, and all praised And Then Fuzzy Told Seve . . . :

0 of 0 people found the following review helpful. For Golf Fans OnlyBy jiffyPart of a series of similar books by Don Wade, And Then Fuzzy Told Seve... is a collection of anecdotes about golf and golf professionals. Some are amusing, some tragic, some amazing, and some inspiring. If you enjoy golf, either as a player or as a spectator, and if you like to read about it, this book is for you. If not, read something else.

And Then Fuzzy Told Seve brings together living legends, past champions and current top-of-the-leader-board stars in one entertaining book of true tales. '

.com First it was Jack telling Arnie, then Arnie telling Chi Chi, then Chi Chi telling Fuzzy, and now, in the fourth installment of golf's longest continuing comedies, it's Fuzzy's turn to pass on some of the game's funniest and most revealing anecdotes. These stories, whether they send-up top professionals or rank hackers, have a remarkable way of connecting golfers everywhere. Linked by the links, anyone who's ever had a realistic wager on a hole to keep things interesting will find no great leap to Winston Churchill's once betting the prime ministership of England on a single putt--and missing.
