I bought extras for the perfect birthday and holiday gift for friend and dog lovers! The photography is superb! I highly recommend this book!0 of 0 people found the following review helpful. Bow WOWBy Carla R.This is simply brilliant extremely creative! Excellent concept and makes for a fun coffee table book.

Modern art plus man's best friend equals a uniquely stylish group of puppy portraits. Inspired by Andy Warhol's great screenprints, Mia Feinstein's collection is a unique tribute to the most innovative of artists and the most loyal of pets. Each hip hound image is accompanied by a fabulous Pop Art design.
