CAO YU RU : Anecdotes of marine fish(Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Anecdotes of marine fish(Chinese Edition):

Pub Date :2001-01-01 Pages: 220 Publisher: the the marine publication marine fish anecdotes Ocean. her broad mind nurturing life. while her generous gift to the human wealth. but also to our responsibility. To this end. the experts of the Chinese Academy of Sciences jointly prepared the series Approaching marine animals. The series is divided into a continuation of the marine life. strange marine animals. marine fish anecdotes. legendary sea monster. a noisy bird island. ocean monster a branch. The main content of the book is to introduce the reader to the variety of life in the ocean is an interesting and little-known marine animals living habits. so that readers further understand marine animals. so as to achieve the protection of the marine animals like marine animals as well as reach purposes. The mysteries of the ocean. although not all opened. but return to the ocean i...
