Jack Ohman : Angler Management: The Day I Died While Fly Fishing Other Stories before purchasing it in order to gage whether or not it would be worth my time, and all praised Angler Management: The Day I Died While Fly Fishing Other Stories:

0 of 0 people found the following review helpful. LOOKING AT OURSELVES FROM ANOTHER PERSPECTIVEBy kennyAs a fly fisherman who has gone through many of the situations which are portrayed in this

book, it brought to mind in a satirical manner as well as in cartoon fashion those many situations we find ourselves in this sport. As good light reading and reflections for ourselves, it brings out topics and situations which should ground us a bit in how we sometimes conduct ourselves while fly fishing. 0 of 0 people found the following review helpful. Great book By Kindle Customer If you fly fish, and are not too serious about it, or even if you are, you will relate to these stories. Many that have probably happened to you. 1 of 1 people found the following review helpful. Must reading for fly fishermen and for those thinking about trying fly fishing. By J. Abbott Ohman has obviously spent a lot of time fly fishing and observing other fly fishermen. Fly fishing is a complex and potentially frustrating endeavor. Those without a good sense of humor should avoid fly fishing or be prepared to spend time and money on anger management. All of Jack's books on fly fishing are worth your time.

In this collection of more than thirty essays, political satirist Jack Ohman covers a wide range of topics about fly fishing--such as falling in, fishing records, getting your kids to fish with you, and how not to tie flies (to name only a few)--exploring the obsession with the sport that can drive men and women mad. Generously illustrated with more than fifty new Ohman cartoons.

About the Author Jack Ohman's cartoons appear regularly in The Washington Post, Philadelphia Inquirer, The New York Times, Boston Globe, Chicago Tribune, San Francisco Chronicle, Seattle Times, and scores of other major newspapers. People magazine has called Ohman's cartoons uncompromising, the most wicked and the most pointedly funny on today's op-ed pages. He has been the editorial cartoonist for The Oregonian since 1983 and lives in Portland, Oregon.
