There is enough space in the blocks to write memos and there is even a small section of previous months so you can use it right away. The cat pictures are so funny and can definitely bring a smile to your face. 1 of 1 people found the following review helpful. Five Stars By Customer Very funny and cute

Garfi, the cat with that hilariously furious face (USA Today), has become an online sensation. The photo album of the angriest cat in the world has recently topped 1.2 million views. These twelve, laughable, full-color photographs portray Garfi in all his adorable unhappiness. This large format, 18-month wall calendar features daily grids providing ample room for jotting appointments, birthdays and personal reminders. Also includes six bonus months of July through December 2016 as well as moon phases, U.S. and international holidays.

About the Author Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a

unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.
