A quirky way to spread love around every direction! 0 of 0 people found the following review helpful. Pucker Up!! By Heather LaRee I adore blank cards with fresh and quirky front art. At 67 cents each, I am VERY pleased with these smoocheroo cards. Twenty note cards with envelopes included in a delightful box. Created from smooth card stock (4 3/4" wide x 6" tall), produced by the wonderful Chronicle Books, these five (5) different kisses make smooching critter lovers smile. (see the other illustrations in the offered "other views") Plain white envelopes have a nice feel ~ I am VERY pleased. Gave a few as a small little gift to a friend who adored them too! 0 of 0 people found the following review helpful. These note cards are perfectly delightful! By Baird-Greene I'm always looking for note cards that are good quality and full of personality. These note cards are on good quality paper. There is plenty of room to write. The illustrations are whimsical and delightful. I bought two boxes. One I will keep and one I'm giving for a gift.

This pack includes 20 blank folded cards (5 images repeating 4 times), and 20 envelopes packaged in a slipcase with velcro closure.
