Dark One : Animal Mystic: Klor before purchasing it in order to gage whether or not it would be worth my time, and all praised Animal Mystic: Klor:

Long before Klor helped Queen Jatarri rid Praktill of the Spigmodite Plague, the popular centorg from Dark One's ANIMAL MYSTIC series was a barbaric, arrogant killer. Learn how Father Kroy calmed Klor's inner demons and initiated him into the Muishaa order of priests. Then witness Klor's origin culminate in an epic battle between the forces of good and evil, as Father Kroy's former pupil--a bad-ass centorg named Mirgin--returns to exact vengeance on his teacher. Rendered in Dark One's popular gray-toned painting style, this trade paperback is a must-have item for any adventure fan's collection! Featuring previously un-published art and sketches! Written and illustrated by Dark One.
