Great product if you are one who loves to color.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat book5 of 7 people found the following review helpful. DisappointedBy Allison LeighI'm deeply disappointed this didn't come as advertised with single side printing on nice perforated paper. I didn't like this about the first Odyssey book. So I will be returning it hoping to get one as advertised. That being said the illustrations are beautiful, and the line weight is much more consistent in this book. None of the images look like small illustrations poorly blown up on a copy machine like in Color Odyssey. So for that reason I hope I can get a copy as advertised on the nice paper. Where none of the image is in the book binding. I will at least include a few example images from the book I did receive as doesn't include any previews. They really are beautiful.

The second coloring book from celebrated tattoo artist Chris Garver—star of Miami Ink. Come along on a coloring safari! Featuring a wide array of animals and environments, Animal Odyssey offers the same graceful imagery and distinctive elements that have made Chris Garver a breakout star. Garver's fans will love filling in his new collection

of illustrations, which beautifully blend the familiar and fantastic.

About the Author Chris Garver is a professional tattoo artist at the world-renowned Invisible NYC in New York City's Lower East Side. He is also a former star of TLC's popular reality show Miami Ink. Born and raised in Pittsburgh, PA, Chris began experimenting with tattooing at the age of 17 before attending Manhattan's School of Visual Arts. He has been a full-time professional tattoo artist since moving to New York in his early 20s.
