Deborah Muller : Animal Sprits Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Animal Sprits Coloring Book:

Animal Sprits Coloring Book. This Native American Dreamcatcher inspired book is filled with images of totem animals and magical images. Intricate and beautiful images illustrated by Artist Deborah Muller will bring you into a magical realm of folk lore. So beautiful you will want to frame these after you color them. Whales, wolves, elk, butterflies, raven and so many more!
