Brittany M St. Julien : Animals Are Mean: The (ADULT) Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Animals Are Mean: The (ADULT) Coloring Book:

2 of 2 people found the following review helpful. A masterpiece, makes Rembrandt look like a Flemish charlatan during the Pragmatic Sanction of 1549By Q.M. PioA greater work hasn't been put together since the art of William de Worde or perhaps the Sargon Cube by Alan Riehl. I wouldn't buy this coloring book for children though, because 1) it is labeled as being for ADULTS and 2) children do not deserve nice things.1 of 1 people found the following review helpful. Great gifts that are funBy CustomerGreat gifts that are fun, funny and creative. Put the damn phone down for a minute and color a funny picture so you can passively leave it at your coworker's desk! Have a good time and be a kid again for five minutes1 of 1 people found the following review helpful. Beavers are jerksBy CustomerI always knew that beavers were jerks. Now I have proof. Colorable proof.

You there! Take a break from all that adult-ing, grab your crayons, colored pencils or markers, and crack open a brand new *Animals Are Mean: the (ADULT) Coloring Book*. It's loaded with adorable animals offering sinister critiques, and is sure to help you pass the time (and maybe even relieve some stress!). Do you have a friend whose confidence you'd like to shake? You've come to the right place! Give the gift of functional snark with this adult coloring book. Your friend will spend hours captivated by the book, whether they're coloring or simply contemplating who they are as human beings. All animals and captions were hand-drawn by the author. ****Bonus animal facts are featured at the end!**** **WARNING:** Some of these animals use **VERY** harsh language. This coloring book is neither intended nor recommended for children and any adults who are pure of heart.
