It was a great "little extra" gift that got the whole room laughing. I would recommend this for any cat lover esp. one who is also a wine lover. But then we live in wine country and I have had cats for most of my life. This book celebrates and enjoys their antics. And that being said, most all of us has had a hangover at some time in their life. This just might be a cure.0 of 0 people found the following review helpful. Okay Gag GiftBy ASome funny pages, but overall not hilarious. Makes for a decent cheap gag gift.0 of 0 people found the following review helpful. Five StarsBy mike nolandFunny book, fast service, perfect gift!

Lions and Tigers and Beers, oh my! Animals with Hangovers presents the hardest partying creatures in nature-- elephants, monkeys, cats, dogs, horses and a menagerie of others! With more than 150 hilarious photos of the dreaded "morning after", this collection proves that no animals can escape alcohol's wrath.
