NOT For Kindle Users...SHOW Us Designs BEFORE We Buy #698...By classicsGGmaGot this coloring book when it was free for Kindle...there's no download link to print from PDF...WHY Was this even offered on Kindle when there was no link?? What good is this coloring book for Kindle users...NONE. Don't fall for this again if offered free for Kindle!While the designs are very good, some of them are in my other Kindle coloring books...the angel playing a violin, the cutie adjusting her hat while looking into a mirror, the princess with the unicorn...and a few others. Not too much black and gray shading here and none too intricate.When we buy coloring books in stores we can look inside to see if we like the designs and check for any designs we already

have. WHY Not Here On ??
