Scott Adams : Another Day In Cubicle Paradise: A Dilbert Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Another Day In Cubicle Paradise: A Dilbert Book:

0 of 0 people found the following review helpful. Always entertaining By Nancy I find Dilbert both funny and a little frightening. The clueless pointy haired boss is sometimes frighteningly close to reality. 0 of 0 people found the following review helpful. This is just as good as the earlier ones By Mild Mannered Mick Dilbert is something I don't get tired of. This is just as good as the earlier ones, it makes me laugh. Glad I am retired and away from it.... the disfunction that is. 2 of 2 people found the following review helpful. Another Day in Dilbert's Cubic Hell By The Old Philosopher Adams does it again. One wonders where he keeps finding all the ideas, and they are so right on. Dilbert plods his way through seemingly useless existence lost in cubic space while his dog and garbage man seem much wiser. Wally never does any work, and Alice puts in long hours that she has no life. Of the two Wally is more productive because he didn't make any big mistakes that cost the company money. Catbert the evil HR director thinks up new ways to torment employees. Classic Dilbert at its best. Send a copy to your own pointy haired boss for any occasion.

When Dilbert first appeared in newspapers across the country in 1989, office workers looked around suspiciously. Was its creator, Scott Adams, a pen name for someone who worked amongst them? After all, the humor was just too

eerily funny and familiar. Since then, Dilbert has become more than a cartoon character. He's become an office icon. In *Another Day in Cubicle Paradise* Dilbert and his cohorts, Dogbert, Catbert, Ratbert, and the pointy-haired boss, once again entertain with their cubicle humor. From bizarre personnel decisions to meetings gone bad, from schizoid secretaries to consultants from hell, *Another Day in Cubicle Paradise* provides a way to get all those darn comic strips off the breakroom bulletin board.

About the AuthorWhat started as a doodle has turned Scott Adams into a superstar of the cartoon world. Dilbert debuted on the comics page in 1989, while Adams was in the tech department at Pacific Bell. Adams continued to work at Pacific Bell until he was voluntarily downsized in 1995. He has lived in the San Francisco Bay Area since 1979.
