Rude, funny, and f\*cking awesome! Another F\*ing Coloring Book is perfect for anyone who knows that neither sunshine and kittens nor gardens and mandalas can fix everything. The funny, relatable swears and phrases that accompany the paisley patterns, meditative mandalas, and all that other shit will help you express your frustration with--or add your own dark shade of humor to--any situation. Whether you need to unwind after a hellish day or

simply want to let the world know you've got better things to do with your time, you'll find a cheerfully profane and delightfully inappropriate image perfectly designed to calm you the f\*ck down.

"Looking through the book, I found myself smiling and laughing-- increasing my serotonin levels--and feeling good about spending some time coloring them. Another F\*cking Coloring Book, put out by Adams Media, is a fine choice." --F News Magazine
